

BETTER LIVING AUTOMATICALLY

Control4® premium home automation solutions make virtually everything work together so your house is more safe, secure, smart, comfortable and more inspiring than ever.

Control4 integrates lighting, music, video, climate control, security, and more into one simple system—a system you can access and control from anywhere in the world. You determine when, where and how things happen. You decide what actions and events take place. Because only you know what is best for your lifestyle.

Control
your home
easily from
anywhere

MORE CONVENIENCE

Wake up with shades that rise automatically with the morning sun.

PEACE OF MIND

Lock doors and arm the security system from your bedside.

MORE SECURITY

Access security cameras from anywhere and get instant text alerts.

BRILLIANT LIGHTING

Engraved keypads control lights, music, video, and much more.

SMART THERMOSTAT

Adjust temperatures remotely and return to a comfortable home.

STREAM MUSIC

Play a different song in every room or the same song everywhere.

REMOTE CONTROL

Use your phone or tablet to control everything, at home or on the go.

HOME THEATER

Select the right input, dim the lights and start the movie in one touch.
